

INFORMATION REGARDING THE PROCESSING OF PERSONAL DATA pursuant to art. 13 and 14 EU Regulation 2016/679

Dear Guest,

pursuant to art. 13 and 14 of the 2016/679 European Regulation concerning the protection of individuals with regard to the processing of personal data, as well as the free circulation of such data (hereinafter, "GDPR"), the 3 Tre Committee, as Data Controller and as organizer of the event "MADONNA DI CAMPIGLIO 3TRE - AUDI FIS SKI WORLD CUP NIGHT SLALOM" (hereinafter, "Event"), intends to provide you with the following information:

Data Controller

Comitato 3 Tre

Via Pradalago, 4

38086 Madonna di Campiglio TN

P.IVA 02043920228

Phone. +39046544072

Mail: info@3trecompiglio.it

WebSite: <https://www.3trecompiglio.it/it>

(hereinafter also the "Data Controller" or the "Organizing Committee" or the "C.O.")

Purpose of the processing

The personal data described below will be processed by the Data Controller in order to implement the measures for the prevention and containment of the COVID-19 contagion, provided for by current legislation and anti-contagion security protocols, as well as to protect the health of all people involved in the event. The processing are also necessary in order to implement effective collaboration with the public authorities and with all those involved in the management of the emergency.

Legal basis

The above-detailed purposes are legally based in the following legal bases as:

- the processing is necessary for compliance with a legal obligation to which the data controller is subject, as required by art. 6 par. 1 letter c) of EU Regulation 2016/679;
- the processing is necessary for the protection of the vital interests of the data subject or of another natural person, as required by art. 6 par. 1 letter d) of the 2016/679 EU Regulation;
- the processing is necessary for compliance with the regulatory provisions pursuant to Legislative Decree 81/2008 (tasks of hygiene and safety in the workplace and safety and health of the population, safeguarding of life and physical safety)
- the processing is necessary for the pursuit of a public interest, specifically the protection of health and the containment of the infection
- the processing is necessary for reasons of significant public interest on the basis of Union or Member State law, which must be proportionate to the purpose pursued, respect the essence of the right to data protection and provide for appropriate and specific measures to protect the fundamental rights and interests of the data subject - art. 9 par. 2 lett. g) Regulation (EU) 2016/679
- the processing is necessary in order to comply with the provisions of art. 29 bis, of Law no. 40 (Law Decree no.23 of 8 April 2020 converted with amendments by Law no. 40 of 5 June 2020), which provides for "[..] the application of the provisions contained in the shared protocol regulating measures for the contrast and containment of spread of COVID-19 in the workplace, signed on 24 April 2020 between the Government and the social partners [..] ", as well as for compliance with the provincial legislation in force from time to time
- the processing is necessary in order to comply with the provisions of laws and regulations for the management of the Covid 19 emergency in force from time to time.

Nature of the data processed

For the pursuit of the purposes described above, the following data may be processed:

- identification and contact data (name / surname / telephone / email) for the preservation of the list of subjects present, for the purpose of any reconstruction of the persons contacted by the persons in charge;
- any body temperature detection detected before entering the areas managed by the Data controller;
- information elements that indicate the absence of risk factors for contagion from Covid-19 (as identified by the competent authorities)
- related data provided to third parties, provided for in the specific procedures necessary for participation in the event (FIS Passport) and communicated to the Data Controller in order to properly perform their accreditation procedures
- data relating to the status of the accreditation process.

Mandatory or optional nature of the provision

In the event of refusal to measure the temperature or to supply the data described above, or relating to the presence of risk elements, access to the areas under the responsibility of the Data controller is prohibited.

Data recipients

The data may be communicated or requested by the competent health authority for the purposes of health protection, as well as to other public or private entities, as required by the legislation on the management of the COVID19 emergency.

The processing will be carried out, in part, directly by the Data Controller: the recipients of the Data Subject's personal data include the authorized persons belonging to the Data Controller's organization, appropriately trained and made aware of the constraints imposed by EU Regulation 2016/679.

Furthermore, without prejudice to the communications required by law or the exercise of the right of defense, the Personal Data subject to processing may be disclosed to persons, companies, associations or professional firms that provide services or assistance and consultancy activities to the Data Controller, with particular attention but not exclusively with reference to accounting, legal, administrative, tax and financial matters. For the pursuit of the aforementioned purposes, the data may be disclosed to third parties acting as independent Data Controllers or as Data Processors designated by the Data Controller.

The updated list of Data Processors appointed by the Data Controller can be provided at the request of the data subject.

Processing methods

In accordance with the provisions of art. 5 of the Regulation, the Personal Data processed are:

- processed in a lawful, correct and transparent manner towards the data subject;
- collected and recorded for specific, explicit and legitimate purposes, and subsequently processed in terms compatible with these purposes;
- adequate, relevant and limited to what is necessary with respect to the purposes for which they are processed;
- accurate and, if necessary, updated;
- processed in such a way as to guarantee an adequate level of security;
- kept in a form that allows the identification of the data subject for a period of time not exceeding the achievement of the purposes for which they are processed.

The processing will be carried out both with manual and / or IT and telematic tools with organization and processing logics strictly related to the purposes themselves and in any case in order to guarantee the security, integrity and confidentiality of the data in compliance with the organizational and physical measures and logic provided for by the provisions in force.

Data transfer abroad

For the purposes indicated above, Personal Data will be processed within the European Economic Area (EEA). If they are transferred to Third Countries, in the absence of an adequacy decision by the European Commission, the provisions of the applicable legislation on the transfer of Personal Data to third countries will be respected, such as the Standard Contractual Clauses provided by the European Commission.

Data retention

The identification data and the exceeding of the temperature threshold, recorded only if it is necessary to document the reasons that prevented access to the company premises, as well as the information relating to temporary isolation are kept until the end of the state of emergency provided for by competent public authorities.

The data relating to the list of customers in addition to the date and time of presence within the company premises and / or presence for the use of the services provided by the Data Controller, will be kept for a period of 14, unless the same must not be stored for further purposes for which appropriate information will be provided.

However, storage for a longer period in relation to requests from the public authority is reserved. The retention of personal data, including particular ones, is also reserved for a longer period, within the limits of the limitation period of rights, in relation to needs related to the exercise of the right of defense in the event of disputes.

Automated individual decision-making, including profiling

Personal data are not subjected to processing processes that involve automated decisions without human intervention, including the profiling process.

Rights of the data subject

Articles 15 to 21, EU Regulation 2016/679 grant the data subjects the exercise of specific rights.

The art. 15 recognizes the right of data subjects to access their personal data and to obtain a copy thereof. The right to obtain a copy of the data must not affect the rights and freedoms of others.

With the request for access, the data subject has the right to obtain confirmation from the Data Controller whether or not their personal data is being processed and to know the purposes and categories of data processed, the third parties to whom the data are communicated. and if the data are transferred to a non-European country with adequate guarantees. The data subject also has the right to know the retention time of their personal data, with respect to the aforementioned purposes.

With respect to their personal data, the data subject has the right to request the rectification of inaccurate data and the integration of incomplete ones, cancellation (right to be forgotten) under the conditions indicated in art. 17, EU Regulation 2016/679, the opposition and limitation of processing.

To exercise the rights, the data subject can contact the Data Controller by writing to the addresses listed above.

Before providing an answer, the data controller may need to identify the data subject, by requesting to provide a copy of his identity document.

Written feedback will be provided without undue delay and, in any case, no later than one month from receipt of the request.

Complaint

In the event that the data subject believes that the processing of their personal data violates the provisions of EU Regulation 2016/679, they have the right to lodge a complaint with the Supervisor Authority, pursuant to art. 77 of the Regulation itself, as well as appealing to the judicial authorities.
